

# Covid-19 Response, Measures and Policies

## Before Arriving To Studio

- Check children's temperature before arriving to the studio.
- If your child presents any sickness, they must NOT attend class.
- If your child has been in contact with someone diagnosed with covid-19, they must not attend class.
- Hands must be thoroughly washed.

## Inside The Studio

- Children should bring their own labelled water bottle. Unfortunately, snacks will not be permitted inside the studio until further notice.
- There should be no contact with other children, no hugging, high fives etc
- Each child within class will have their own spot/box to ensure social distancing. Markings will be placed around the studio floor, on barres etc to make it easy to follow.
- Vigorous hand hygiene will be implanted.
- Teachers will adhere to social distancing measures.
- No props will be used within classes.
- Where possible we have created bubbles for those children who take multiple classes with us, so your children will be dancing with the same people throughout every class.

## Pickup and Drop-off

- Parents please drop off children outside the studio door and remain in your car. Either Miss Amy, Gemma or Sarah will be waiting outside to meet every child.
- Children must remove their outdoor shoes on entering the hall and put their dance shoes on before entering studio.
- Temperature check on arrival.
- When class is finished we will bring the children out to the front door safely for pick up. Parents must not enter the studio.
- Hand sanitizing station will be placed at the entrance, to be used on entering and leaving the studio.

## Cleaning

- The studio will have undergone a thoroughly deep clean before classes commence.
- Our studio will be cleansed and sanitized in all commonly used areas after each class.
